Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This permit variation application has been made to change the existing Bespoke Permit to a Standard Rules Permit SR2008No3. The variation application also includes an extension to the permitted area. The site plan has been amended to show the extended permit boundary.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
